CHANGE THE MYTH
PHASE-OUT NUCLEAR

Saturday 18 & Sunday 19 June in Toulouse

at *LA CHAPELLE*, 36 rue Danielle Casanova (behind "le Conseil général")

- First movement : **Saturday morning**

FROM LOGIC TO THE MYTH, THREE CONFERENCES-DEBATES

- Second movement : **Saturday afternoon**

LARGE TRIAL ABOUT NUCLEAR

ARTISTS, SCIENTISTS AND POLITICIANS WILL TESTIFY FOR OR AGAINST

We appeal for your testimony, witnesses and expertise. You can send your stories to our address below (thank you to write in the most efficient way possible: in a short, concise way). For witnesses, please send the name, address (email and mail) and contact information so that we can provide them for the judge (we apologise for not being able to communicate his/her name because of possible leaks to the authorities). Your presence will be needed on the day of trial, Saturday 18 June.

- Third movement : **Sunday morning**

ROUNDTABLE: WHAT IF WE DIDN'T INVENT NUCLEAR ENERGY?

There are only 50 places available but a replay of the roundtable and a broadcast on the internet will be provided. Please register now using our email address.

- Fourth movement : **Sunday afternoon**

INTERNATIONAL ROUNDTABLE : WHAT PROPOSALS FOR A EURO-MEDITERRANEAN FREE OF NUCLEAR POWER PLANTS AND WEAPONS ?

Press conference at the end of the day on Sunday
